Dear Ian and Nathan

Thank you for always being available to speak with me about TasFarmers' work supporting our farmers and how the Tasmanian Labor team can support you.

Labor knows that it's time for a better future for Tasmania, and that's why we are focused on putting farmers first and doing what is right.

I am proud to share our commitments with you.

Thanks again for your engagement and for always being available to share the important work you do with me. Please find our full policy here.

Kind regards
Janie Finlay
