

# Building Resilient Farming Families Workshop

**Moore Australia (VIC)** in conjunction with the **Tasmanian Beef Industry Trust** is pleased to present a series of workshops to facilitate Building Resilient Farming Families.

This course is aimed at providing farming families with the necessary skills and knowledge to lead positive change through their own business and industry as a whole.

## What you will learn

- Understand your business finances and key profit drivers
- Evaluate risks and develop mitigation plans
- Learn strategies for effective family communication
- Understand how to make your business opportunity ready
- Finish the workshop with a completed strategic plan for your family to create your own pathway to success!

<b>WORKSHOP A</b>	Know and understand the profit drivers of your business as well as key business ratios
<b>5 x WEBINARS</b>	Held weekly during the evenings discussing banking, risk, strategy and succession
<b>WORKSHOP B</b>	Create your own strategic plan including setting goals for business, banking, land, enterprise, people and technology
