INNOVATION HUB
Growing Climate Resilient Communities

UNIVERSITY OF TASMANIA
TIA
Tasmanian Institute of Agriculture

AgriFutures®
Australia

Come along to these sessions to hear more about the weather station network and how it can benefit your operation. We'll have Marek from Ag Logic and the landholders who hosts the station on hand to answer your queries. The session will be suitable for both current users of the network and new users of the network.

Please RSVP for catering purposes.
