

Why do Tasmanian farmers support TFGA memberships?

- They value our expertise in advocacy and getting things done
- They know we represent farmers as a united voice by publicly supporting a cause or policy to Government
- They know that it is imperative that TFGA occupies this protective space for them.
- They know that our dedicated and knowledgeable staff are here to help when needed.
- They know that our Councils and Committees are there representing members around the table in key industry discussions.
- They know that we understand the emerging issues impacting on farming businesses.

Imagine if we weren't
here to represent you?

- Membership fees ensure that we can continue crucial work on behalf of the Tasmanian agricultural sector.
- TFGA does not receive any financial support from Government, except for specific projects eg. Landcare Action Grant and the Kids to Farms Project.
- Join up and be a voice of strength and help shape Tasmania's farming future. Remember, paying a levy doesn't automatically make you a member - so join up now!

Our Members Benefit from

- Accommodation providers
- Insurance savings
- New vehicle purchases
- Finance options and providers
- Telco providers
- Trade & Safety providers

Can you afford not to be a member?

Reach out to our team and allow TFGA the opportunity
to demonstrate our commitment to you.

Tasmanian Farmers & Graziers Association your ^{only} Peak State Farming Organisation

TFGA is the heart of Tasmania's agricultural advocacy. We are a central body effectively communicating on behalf of farmers to both Local, State and Federal governments and industry stakeholders. With our members we collectively become a powerful voice.

helping shape your farming future

With our members we collectively become a powerful voice. Our success will be your success.

We are proud supporters of regional and rural communities.

*together we can be
strong & united*

protecting your future to farm

TFGA councils and committees work hard to represent you in your commodity sector. We have a trusted reputation and our members know we are on the forefront ready for action.

*A trusted reputation
members know we get things done*

As a farmer within your community and as a TFGA member, you have the opportunity to be a voice for Tasmanian agriculture as a member and/or as a committee member
